July 18, 2014

The Coos Bay-North Bend Water Board will begin construction of a new water main on Madrona Street between California Avenue and Virginia Avenue in North Bend the week of July 21st. The anticipated completion date for the project is August 15, 2013. Madrona Avenue will be closed between California Avenue and Virginia Avenue during construction activities. This daily closure will remain in effect for the duration of the project. Citizens are encouraged to use alternate routes when practical. Access to residences will be maintained throughout the scheduled 3-week construction period. For questions relating to this project, contact Matt Whitty or Rick Abbott at 541-267-3128.
